S7-3. English Lyric

1 Abide with me: fast falls the eventide;

the darkness deepens; Lord, with me abide.

When other helpers fail and comforts flee,

Help of the helpless, O abide with me.

2 Swift to its close ebbs out life's little day;

earth's joys grow dim, its glories pass away.

Change and decay in all around I see.

O thou who changest not, abide with me.

3 I need thy presence every passing hour.

What but thy grace can foil the tempter's power?

Who like thyself my guide and strength can be?

Through cloud and sunshine, O abide with me.

4 I fear no foe with thee at hand to bless,

ills have no weight, and tears no bitterness.

Where is death's sting? Where, grave, thy victory?

I triumph still, if thou abide with me.

5 Hold thou thy cross before my closing eyes.

Shine through the gloom and point me to the skies.

Heaven's morning breaks and earth's vain shadows flee;

in life, in death, O Lord, abide with me.
