S5-3. English Lyric

1. And let our bodies part, To different climes repair;

Inseparably joined in heart, The friends of Jesus are.

2. Jesus, the cornerstone, Did first our hearts unite;

And still He keeps our spirits one, Who walk with Him in white.

3. O let us still proceed, In Jesus' work below,

And, following our triumphant Head, To further conquest go.

4. O let our heart and mind, Continually ascend,

That heaven of repose to find, Where all our labors end!
